

Presentation #1: Stop Being Everything to Everyone

Outcomes

Faculty members will:

- Recognize the distinction between "strengths and talents" versus "who you are at your core".
- Discover that overwhelm and overwork is not caused by external pressure, but a lack of internal clarity.
- Learn the secret tool to make clear, confident decisions quickly.
- Practice conversations that enroll others in their unique genius.

Includes

- 60-90 minutes
- Live Q&A
- Handouts & Follow-up Resources

Presentation #2: Align Your Academic Career with Who You Are

Outcomes

Faculty members will:

- Recognize most frustrations as misalignment with who they are and/or their Career Purpose.
- Identify 3 ways to bring who they are into the classroom to improve student's experience.
- Discover their own leadership style empowered by who they are at their core.
- Understand how to create a clear and cohesive scholarly profile to be known for what they uniquely do.

Includes

- 60-90 minutes
- Live Q&A
- Handouts & Follow-up Resources
